BELGIAN·MUMS

Be Mum
Be More

With great pleasure we present to you our latest creation: Soulsisters

These jazzy sisters are super cute and exist in 6 bright colors: yellow, orange, red, dark pink, pink and white.

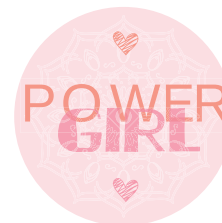

These mini-MUMS are available in potsize 13 and smaller. The Jazzy Soulsisters are feeling pretty well indoors and outdoors and are ideal to give our kitchen, living room, desk,... some extra color and atmosphere.
